CHEF NOTES

For Ooti: keep the mix slightly drier than you think; wet mixes split or go greasy. Bloom hing in hot fat 20-30 seconds; raw hing tastes medicinal. Commercial hing is often cut with wheat flour - use a gluten-free hing if you must mark Gluten Free. Never cook tomato, tamarind, lemon, yogurt or milk in aluminium; use stainless steel, iron, clay or glass. Spice blends: read the packet. Many garam masalas hide onion or garlic powder.
