## INGREDIENTS - 4 PORTIONS

| QTY | UNIT   | APPROX  | INGREDIENT                            |
|-----|--------|---------|---------------------------------------|
| 2   | cups   | ~ 60 g  | spinach blanched                      |
| 1   | cup    | ~ 150 g | peas, 2 potatoes                      |
| 2   | tbsp   | ~ 16 g  | besan roasted                         |
| 20  | g      |         | fresh ginger, crushed                 |
| 2   | pieces | ~ 16 g  | green chillies, slit                  |
| 1/2 | tsp    | ~ 1.2 g | garam masala (no onion-garlic powder) |
| 1   | tsp    | ~ 6 g   | salt, or to taste                     |
| 1/2 | tsp    | ~ 1.2 g | chaat masala (check no onion-garlic)  |
| 2   | tbsp   | ~ 28 g  | ghee                                  |

## METHOD

- Mise en place. Weigh every item for 4 portions. Set a cast-iron tawa (not aluminium) and a stainless steel pot of salted water. Check garam masala and chaat masala contain no onion or garlic powder.
- Wash 2 cups spinach. Blanch in boiling water 45-60 seconds until wilted and bright. Shock in cold water. Squeeze very dry in a clean cloth - excess water makes kebabs collapse. Chop fine.
- Boil 2 medium potatoes (about 250 g) until a knife slips through, 12-15 minutes. Drain. Steam-dry 2 minutes. Peel and mash while warm, leaving a little texture.
- Boil or steam 1 cup green peas until tender, 4-5 minutes. Drain well. Lightly crush - do not puree to paste.
- Dry-roast 2 tbsp (16 g) besan in a steel kadai on low heat 3-4 minutes until the raw smell goes and the flour turns biscuit-coloured. Cool.
- In a steel bowl combine spinach, potato, peas, roasted besan, 20 g crushed ginger, 2 finely chopped green chillies, 1/2 tsp garam masala, 1/2 tsp chaat masala and 1 tsp salt. Mix until the mass holds when pressed. If wet, add 1 tbsp more roasted besan; if dry and cracking, sprinkle 1 tsp water.
- Rest 10 minutes. Divide into 12 portions of about 40 g. Shape into tikkis 1.5 cm thick with even edges so they brown evenly.
- Chill 15 minutes uncovered on a steel tray - this sets the starch and stops them breaking on the tawa.
- Heat the cast-iron tawa to medium. Add 1 tbsp ghee. When it shimmers, place kebabs without crowding. Cook 3-4 minutes until a deep green-brown crust forms. Flip once. Add remaining ghee as needed. Do not press hard or the filling squeezes out.
- Doneness: crust set, centre hot, no raw potato taste. Drain briefly on a steel rack.
- Serve hot, 3 kebabs per portion, with imli chutney or plain dahi. Label allergens before the pass.

CHEF NOTES

---

Squeeze spinach bone-dry. Water is the usual reason kebabs break. Roasted besan is the binder - raw besan tastes pasty. Chill shaped kebabs at least 15 minutes before the tawa. Medium heat only; high heat colours the outside and leaves a wet centre. Make-ahead: shape and chill up to 6 hours. Fry to order. If grilling, make slightly thicker kebabs and oil the bars; chill 30 minutes first.
